“ I would like to say that our family just didn't get together enough. Uncle Tom was kind to me every time I saw him, always asked about my life and how I was doing, and he always brought wonderful Christmas gifts when I was a kid. He is with dad (Eldon) now in the face of God and one day I know I will see all of my family again. I just wish we would be able to get together a little more.

“ Tom was a wonderful friend to me, to the B-N-R Squares and to all of square dancing. He fought a good fight and will be sorely missed by all who were privileged to call him friend.
