“ Thinking of all of you and praying for safe travels and the ability for everyone to be together at this challenging time. I always loved Tim's voice and the way I would often recognize it before seeing him as I entered a room. He made such efforts to welcome everyone, check in on everyone and was genuinely interested in all our happiness. He was Grandma VanDoren's first grand baby and as I am "the last" was a wonderful person to learn from and follow. Hugs to you all.
