“ Before I even knew we would be come homies. I met you at at work and we were in the girls home. The girls begged and begged to paint our nails. I remember saying dude that’s gonna be gay. Then you laughed that contiguous laugh and said no balls! Ooooh it was game on and I made you do it as well. You lived life. Thanks for the countless memories. I’ll remember you and keep eye for Cole. Miss you brother! Someday we will set around that fire pit once again.
