“ *Tracy served with me for two years on the Love Our Veterans annual fundraiser to benefit Missouri's National Veterans Memorial. Tracy worked closely with me behind the scenes during that time. She was very passionate about serving at the Memorial. We became friends and had some fun times after that. She loved her husband fiercely and eventually found a way to channel that love through her work with hospice and then social work. I was privileged to have known her and am very saddened that her beautiful journey has been cut so short.*

“ *Dear Tracy, While it's been a few months since we spoke I do think of you often. The friendship we created, the memories we made and the tears we cried. I will continue to think of you but now in a different light, you are now back with your buddy. I know you missed him and he missed you. Jane and Tammy (big sister/little sister) losing your sibling is not easy. A sibling is your first best friend David was mine. May God bring you peace now and forever, in Jesus name, Amen.*
