“ *Went to Denver Colorado with Velma and her parents ...
We were friends all through high school....used to ditch school
and go to the drug store and drink coke. and one time ditched
school and went up the creek by their house...
..My mother was not a happy camper... We are also distant

“ I remember your mother very well. Your entire family was a big part of my childhood, and I have many memories of our families being together, and all the kids playing together. Being older than all of you, I get more memories! Sending God's peace and comfort. Tandra Yamnitz Allen

“ I wasn't lucky enough to know Mrs. Brewer, but I am lucky enough to know her daughter, Linda. Mrs. Brewer seemed like a wonderful mother who obviously instilled beautiful qualities in all of her family - generosity, humor, wit, talent, and excellent business sense, to name just a few. Thinking of her whole family with lots of love during this difficult time and wishing you all peace.
