He received his GED while serving his country.

Vincent worked for Huber Oil Company as a gas delivery driver before being employed by General Motors Company as an assembly line worker for more than twenty years. He rode back and forth to St. Louis, MO each day so that his family could stay in Perryville. After retiring from GM, he enjoyed driving

the Head Start bus.

Vincent was a kind and gentle man who never met a stranger. He enjoyed spending time with his family and visiting with his amazing neighbors who always looked after him. He was a huge St. Louis Cardinal fan and rarely missed watching them play. He was meticulous about his yard and vehicles. He enjoyed playing cards with his friends and attending Tuesday morning breakfast at the Vietnam Memorial Wall when he was able. He was a great man, husband, dad, grandpa and great grandpa.
