“ Don, Scott, Keith, Loretta, Karen, Kevin, Tyler and Em....  
So sorry to hear of Virginia passing. I know how much you all meant to her and I shared many great times and have many memories myself. Times like this it was easy to jump in the car and drive to Missouri. Florida is a bit farther away and being a bar owner now not at all easy to get away. Living in paradise is great! May the many memories you have make you smile as you think of her and keep her legacy alive in each of those warm smiles. Keeping you all in my thoughts and prayers during this difficult time. Hugs.....Jamie

“ *I worked with Virginia at P&G in the Luvs lab.  
She was always one of my favorite people, and we had a lot of fun.  
Her sense of humor was a high point of the job.  
We went on a business trip to San Francisco and she was a joy to travel with.*
