“ It is with deep sadness that we learned of the passing of Bill Bock. We extend our deepest sympathy to all of his family and friends in the Frohna, Missouri area. A number of years ago our Pastor Tim Mueller contacted Bill to see if he would be interested in helping our St. John's Historical Society in New Minden, Illinois to restore the old windows for our first 1847 church, and he very willingly agreed to assist us in that project. On July 28, 2024, we dedicated St. John's Memorial Chapel. We had invited Bill, but he responded that he was physically unable to attend. We are sure that his love and dedication to the history in your area will be missed. Again, please know that you are in our hearts and prayers in the days ahead. Howard E. Weihe, President and Jane M. Weihe, Secretary of St. John's Historical Society.

“ I am sad that Bill Bock is now death.

I meet him August 2014 in Museum in Frohna. He tell me many detail to all the houses on this area.

Because we have the same second name he tell me that he try to find the connection to the Bock around Jackson. I tell him that are my Cousins. He tell me all his ancestor until Michael Bock from Jonaswalde in Saxony, Germany. In the meantime I had research his family tree. With Kathryn (Fiehler) Berkbigler I had a autosomale DNA Match, so it can be possible that the connection can come over Bock. Bill was very friendly an helpful. I wish his family that she remember him as a good man.

I can and will not forget him.
