“ From Mike and Pam Lane our condolences to the Jordan family may God bless and comfort you all at this time. I have so many good memories about uncle Will our families spent a lot of time together when our families were younger since Dad and Will were such good friends and hunting buddies. Story's abound of their coon hunting exploits that I remember so many funny and interesting times. Uncle Will and Aunt Lawana was always good to us kids since we lived in the country and they lived in the city they came out nearly every weekend Friday or Saturday for a rabbit hunt or squirrel hunting during the day and then a coon hunt at night. So many good memories and fun. Not enough room to really list something other than to say I can't think of one bad memory we were a large family a bunch of kids and they treated us like their own.
